

# Furnace Run

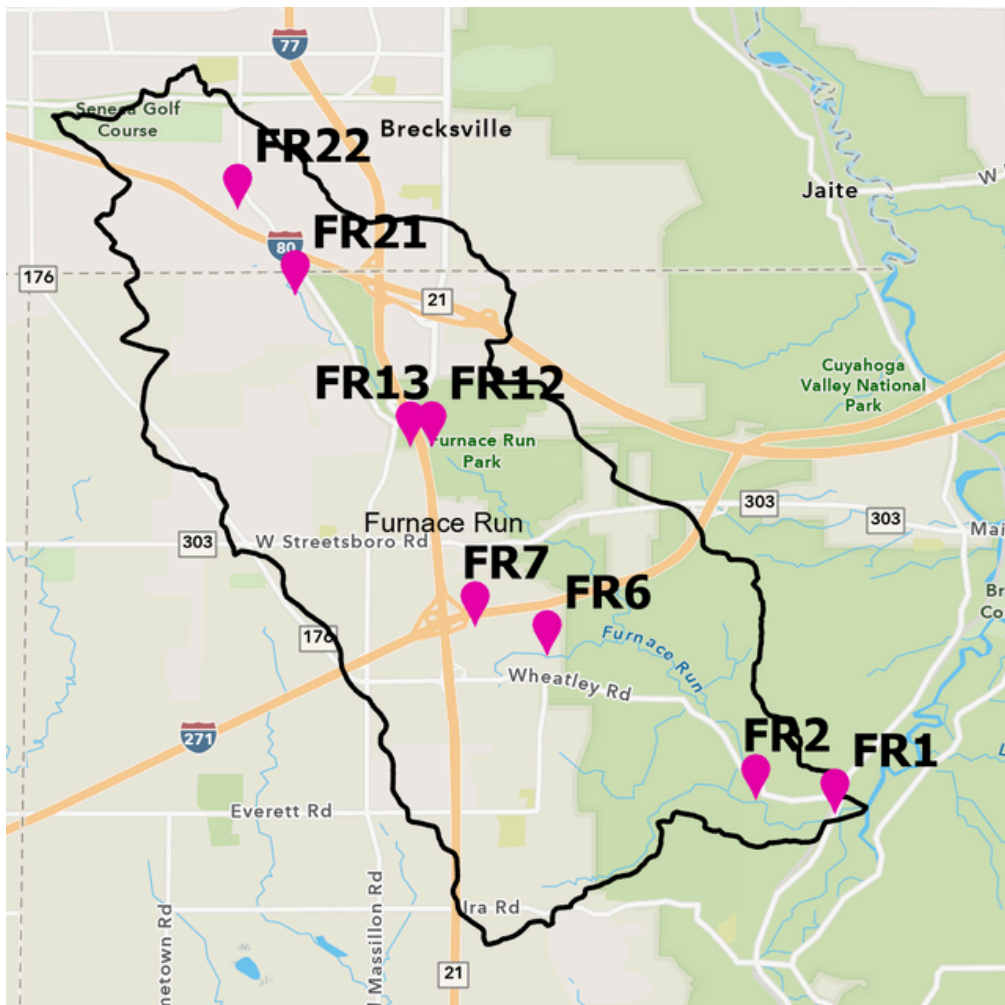

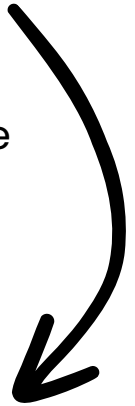

Thank you for sampling with us! Our program would NOT be possible without you!

## **Background:**

The Furnace Run Watershed drain 20.34 square miles (13,000 acres!) in Summit and Cuyahoga Counties. This watershed connects to the Cuyahoga River and all of the water here eventually drains into Lake Erie!

## **Watershed Concerns:**

Bacteria, pollution, sediment, urban development

# Sampling Time!

Scan each QR code with the camera on your phone and it will take you to the google maps of the exact location!
