

# Portage Lakes

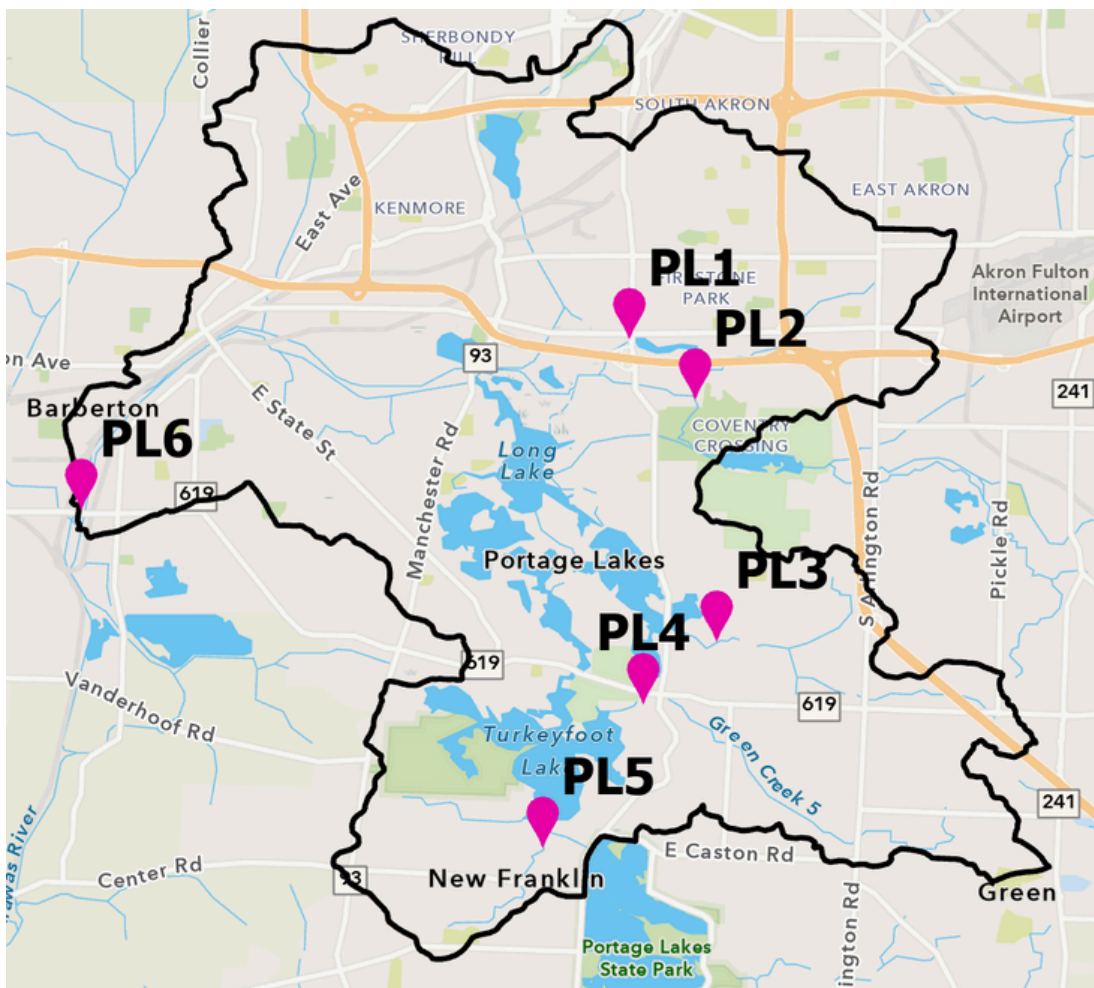

Thank you for sampling with us! Our program would NOT be possible without you!

## **Background:**

The Portage Lakes-Tuscarawas River Watershed drains 36.87 square miles (>23,000 acres) in Summit County. The watershed receives its water from the Tuscarawas River and eventually drains into the Gulf of Mexico.

## **Watershed Concerns:**

Abnormal flow, bacteria, low oxygen, high nitrogen/ phosphorus, PCBs, salt, sedimentation

# Sampling Time!

Scan each QR code with the camera on your phone and it will take you to the google maps of the exact location!
